

Wires App Getting Started Guide

1. Browse to <https://wires.comfed.local/wireapp> or <https://wires.comfed.local/wireapp/login>
2. Enter your username and password and click sign in

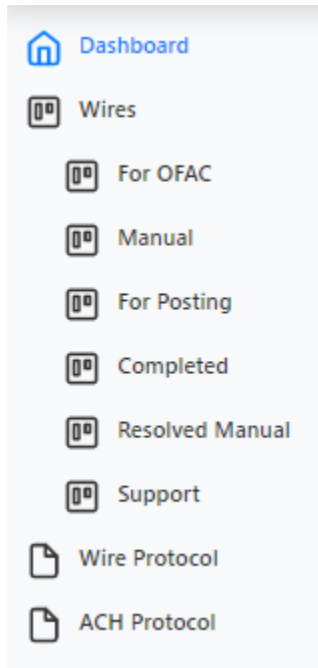

A sign-in form with a light gray background. At the top, the text "Sign In" is centered in a large, dark font. Below it, there are two input fields. The first is labeled "UID" and contains the placeholder text "UserId". The second is labeled "Password" and contains the placeholder text "Password". Both fields have a small icon of a document with a lock symbol on the right side. Below the password field is a blue button with the text "Sign In" in white.

3. That will take you to the Wire Dashboard

The Wire App Dashboard interface. At the top, there is a dark header bar. On the left of the header is the CFSB logo (Community Federal Savings Bank). In the center of the header is the text "WIRE APP". On the right of the header is a blue button labeled "Sign out". Below the header, the main content area is divided into three sections. On the left is a navigation pane with a list of items: "Dashboard" (with a house icon), "Wires" (with a document icon), "Wire Protocol" (with a document icon), and "ACH Protocol" (with a document icon). In the center, there is a greeting "Hello, Binyomin Kolodny". On the right, there is a section with app details: "App Name :- wireapp", "App Server :- https://api-prod-int.cfsb.com/api/v2/", "Build Version :- 1.0.0", "Build Date :- 5/11/2021, 1:18:37 PM.", and "Environment :- PROD" (where "PROD" is in red).

4. On the left side is the Navigation pane. Click on Wires to expand the list

The expanded "Wires" section of the navigation pane. It shows a list of items, each with a document icon: "For OFAC", "Manual", "For Posting", "Completed", "Resolved Manual", and "Support". Below these items are the "Wire Protocol" and "ACH Protocol" items, each with a document icon.
